- Individualized skills instruction
- A program of independent reading in great books

- Phonics
- Comprehension
- Fluency
- Study Skills
- Speed Reading
- Love of Reading

**BOSTON  
UNIVERSITY**

#### Program for Preschoolers:

Students in this program build strong reading readiness skills. Your child will learn letter recognition and beginning phonics, and develop the motivation and love of reading that make learning to read truly enjoyable and successful.

#### Program for Entering Kindergartners:

Students in this program learn beginning reading skills and develop a love of books. Your child will learn letter recognition, phonics and sight words, and will learn to sound out short words.

#### Program for Entering 1st Graders:

Students in this program learn to read independently. Your child will learn phonics and sight words, build comprehension, and gain the skills and confidence needed for success in first grade.

#### Program for Entering 2nd Graders:

Students in this program become fluent, independent readers. Your child will make significant gains in phonics and word attack skills, fluency and comprehension, and will develop confidence and a love of reading.

#### Program for Entering 3rd Graders:

Students in this program become strong independent readers. Your child will develop the comprehension, fluency and long-word decoding skills needed to read longer books with ease, and will build confidence and a love of reading.

#### Program for Entering 4th and 5th Graders:

Students in this program make substantial gains in comprehension, long-word decoding skills, fluency and reading speed. Your child will complete homework more quickly and easily, be more successful in school, and become a strong, enthusiastic reader.

#### Programs for Entering 4th-8th Graders and Entering 9th and 10th Graders:

Students in these programs make substantial gains in comprehension while doubling reading speed. They also learn the best way to read textbooks, take notes, and study for tests. As a result, students complete homework more quickly and easily, get better grades, and enjoy reading more.
