Curious Caterpillars

## Where Little Minds Blossom Into Beautiful Butterflies

[Contact Us](#)

### About Us

Curious Caterpillars is a private school in a green school block in Alhambra, Los Angeles. We provide children aged 4-5 years with a fun and nurturing environment to learn, play and flourish.

**'Curious Caterpillars' was chosen as a metaphor.**

Each child has an inherent talent and a unique personality and we strive to nurture it. The nurturing garden for each child is a place where a seed is planted and grows to meet the child's needs.

Whatsapp: +971567763296

### Our Approach

Our qualified teachers create a nurturing environment designed to nurture curiosity and creativity, giving children the freedom and freedom they need to learn.

Learning is a 24/7 process and we will encourage our little caterpillars to learn as they respond to the changing needs and interests of each individual.

### Our Aims

Communication

Happiness, Health and Well-being

Safe and secure environment

Building a culture of positive

Encouragement and Praise

Respect

### Our Curriculum

The nursery will follow the British early years foundation stage (EYF) curriculum and will mostly be taught through educational games and play by native English speaking staff and also by native Arabic and Indian (Muslim) staff. Islamic and Arabic culture will be taught by a teacher who speaks both Arabic and English.

# I'M BRAD AVILES

UX Designer With A Background in Political  
Marketing and Customer Service

Driven by the desire to create positive change through my design ability to work along with the product manager, software developer or engineer in solving problems is what I strive for. Seeing things through the eyes of the user is what makes me a vital asset to any organization.

Having the talent to critically think and being empathetic drives me to become the social advocate that this world needs.
