I AM WORTHY

REMEMBRANCE & RECLAMATION

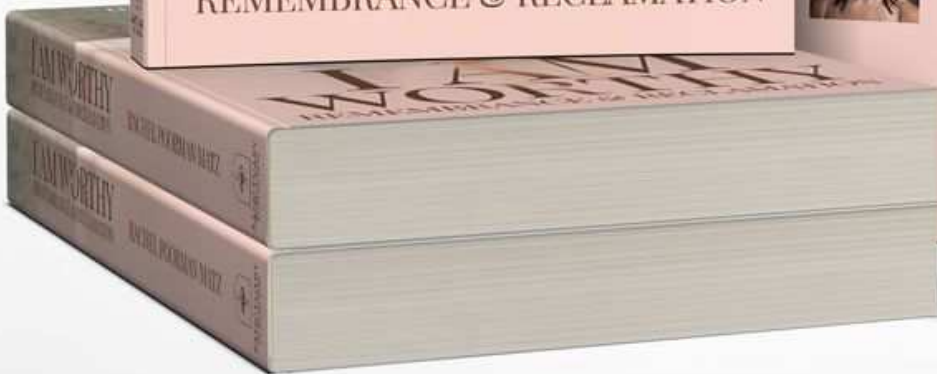

I AM WORTHY

REMEMBRANCE & RECLAMATION

I am Worthy is Rachel's journey through deeply rooted body shame, shame of being a woman, shame derived by religious teachings, all the stories of internal dialogue that have been woven over the years that are no longer true, and how the remembrance of her purity as a woman, and sacredness as an innately whole and divine being, led her to a reclamation of worthiness and womanhood; An unearthing that happened parallel to the unearthing of the world.

Rachel's journey from recognizing & realizing shame-internal, spiritually & as a woman. Her coming home to her body & falling in love with herself, business & embrace her womanhood. Rachel's journey of coming back to worthiness. Vibe: Confident, powerful, womanhood, sexual empowerment.

Her hands are raised near her face, and she is wearing a necklace with a circular pendant and earrings. The background is a soft, neutral tone. The brand name 'Bonita Antoinette' is written in a white, elegant cursive script across the center of the image.
