# HELLO, FUN SEEKERS!

I want to personally get you acquainted with what I believe to be one of the coolest communities out there: **CALI'FUN**

**CALI'FUN CAME TO LIFE IN 2006**  
After I successfully extracted myself from my native France's gravity, pulled by the mission to match any US bound traveler with the coolest experiences California has to offer, it all started with me taking my fellow Frenchies on custom tours throughout the streets of LA and then expanding our operations to beautiful San Francisco a couple of years later.

**FAST FORWARD TO 2016**  
When we boldly decided to take on new challenges by adding activities from ALL over the US to our online catalog. This has allowed us to increase our supplier partners from 125 to 500+ in a matter of months. This fast-scaling approach has been made possible by our talented in-house team of engineers. They have been working tirelessly to build our proprietary b2b platform, where the coolest experiences are featured and fed to our travel agency partners, through direct connectivity and real time booking capabilities.

**FOR OVER 12 YEARS NOW**  
Our continued efforts have led us to be selected and trusted by prestigious clients, from athletes to entertainment personalities and dignitaries, all the way up to Royalty. Our portfolio has allowed us to recently join the very coveted Virtuoso Travel Network through our sister company, All Star Travel Group.

**AT CALI'FUN**  
We believe none of these achievements would be remotely possible without quality partners like you, whom we take great pride in working diligently with and having our mutual customers truly enjoy their visits to the United States. I have specifically recruited our team to reach out to highly rated experience providers and we have all the reasons to believe you are the perfect fit. The fact that you have been selected is a sign that our clients have shown interest in the experiences you offer.

**THEY TRUST US**  
We have a knack for partnering with the best in our industry

**WHY WORK WITH US?**

- **Better inventory control:** receive bookings up to 8 months in advance
