ENVIRONMENT
FOR YOUR FAMILY**

Retrac-A-Vac
THE CENTRAL VACUUM

SIMPLE

Installation of the Doc IT ALL is simple. Doc IT ALL™ fits into any household wall studs on an interior wall space and will generally be installed in less than an hour. Have an electrician hard wire or simply plug and play from any 120V/60Hz outlet.

CONVENIENCE

Doc IT ALL is stored inside an allergy resistant bag which captures 99.9% of pollen, bacteria and other harmful odors. Accessible compartment makes bag changes easy as well as service.

ON DEMAND

Full control is at your fingertips with Doc IT ALL™. Want more power? Simply push the "out" button... All done? A quick push of the "in" button will retract up to 45 feet of hose back into the home docking station.

Imagine a system with abundant vacuum performance, a system with the versatility of a central vacuum, a system that automatically stores away the hose on demand with no effort.

A system that makes vacuuming easier. Such a system that would do it ALL... Doc IT ALL™ by Retrac-A-Vac.

The logo for ikeo4 features the word 'ikeo' in a white, lowercase, sans-serif font. The letter 'i' is stylized with a blue square dot. To the right of 'ikeo' is a superscripted '4' in a blue, sans-serif font. The entire logo is centered within a dark blue rounded square, which is itself set against a background of orange rounded corners.
