BUSINESS VISION

JT Plumbing and restoration will accomplish the following goals and objectives:

We will provide world class services to our customer. We will uphold a stellar reputation within our community, we will make use of the premium pricing strategy: to increase total revenue to more than \$10 continue that growth pattern of 50% every year after.

By 2037 JT Plumbing and Restoration will be a \$150 million a year company.

HOW TO ACCOMPLISH THESE GOALS

1

Lease/Purchase smaller shop/office to extend our brands footprint into larger cities

2

We will have a massive impact across all social media platforms as well as TV and Radio

3

We will always give back and stay heavily involved in all the communities that we serve

4

We will have a YouTube channel with a massive following of raving fans

MARKETING PLAN

Our avatar is clearly defined in all genders ages 25-65. Our most established customers will be homeowners and general contractors who share in our mission and core values. Our 2023 marketing budget will be approximately \$1.5mm, with a well-thought-out monthly budget as seasonality requires. We will strive to have 5-6 community events and giveaways once a month for customers in need.
