THIS360 EMPOWER K4-GRADE 6

This is an exciting and interactive program customized appropriately for each grade-cycle.

GOAL:

Our main purpose here is to educate, inspire and encourage the importance of great self-esteem, self-confidence and physical well-being.

A social emotional learning (SEL) platform that helps build a culture of social inclusion, kindness, and ultimately habits that help discourage bullying.

LOCATION:

Our THIS360 Empower presentation can be done at your location (school), or hosted at our facility located in the West Island of Montreal.

HOW:

Length of session is typically determined by the school. Each session per group can vary from 30mins -45mins long.

All presentations have a strong element of movement, motivation, and interaction keeping the experience exciting and memorable for the students.
