Neeta's
SPICES

The logo for Neeta's Spices features the brand name in a black, elegant cursive script. The word "Neeta's" is written in a large, flowing font, with a small green leaf sprig at the end of the apostrophe. Below the "eeta's" portion, a red chili pepper is depicted, resting on a green stem with two small green leaves. To the right of the chili pepper, the word "SPICES" is written in a smaller, orange, sans-serif, all-caps font.
