logo creation process

GATEWAY EQUITY
P A R T N E R S

The image features a central logo for 'Balaji Wafers' set against a vibrant sunburst background. The sunburst consists of numerous yellow rays radiating from a central circular area. The logo itself is circular, with a white border. Inside, the word 'Balaji' is written in a large, white, bubbly script font with a thick blue outline. Below 'Balaji', the word 'WAFERS' is written in a smaller, white, sans-serif font. The background of the logo is split: the top half is orange and the bottom half is green.
