CURRENT VALUE ESTIMATE:
\$295,000-\$310,000

Dear Sarah,
Your home is well positioned to sell between \$295,000 and \$310,000. We've based this on current market trends, location, age of building, and recent sale prices. It is very important not to over or underprice your home.

If you'd like a more exact listing price I'll be happy to come by and conduct a detailed home appraisal. No charge or pressure, just helpful information.

Please call, email or text to book an appointment.

Cheers,
Cory Arsic

Laguna Hills Dental Arts

I am a retired dentist and have been going to Dr. Kashani for about 5 years. I have been very happy with her and her staff the entire time and based on the great work she's done with my teeth I am very happy to recommend her to anyone who is looking for a technically superb personable gentle dentist.

Dr. Kashani and her staff are very genuine and caring, and the office is very clean and welcoming. I used to be intimidated to visit the Dentist and not now, thank you so much :)

the best dentist in town..! very nice and caring staff that are passionate about their patients..i highly recommend Dr. Kashani to everyone..
