

Target audience: big Agriculture, and traditional public company retailers, Contract manufacturers, Nutraceutical product developers, Big food manufacturer brands.
A theme might be high tech almost Sci-Fi transforming visuals, minimal modern aesthetic.

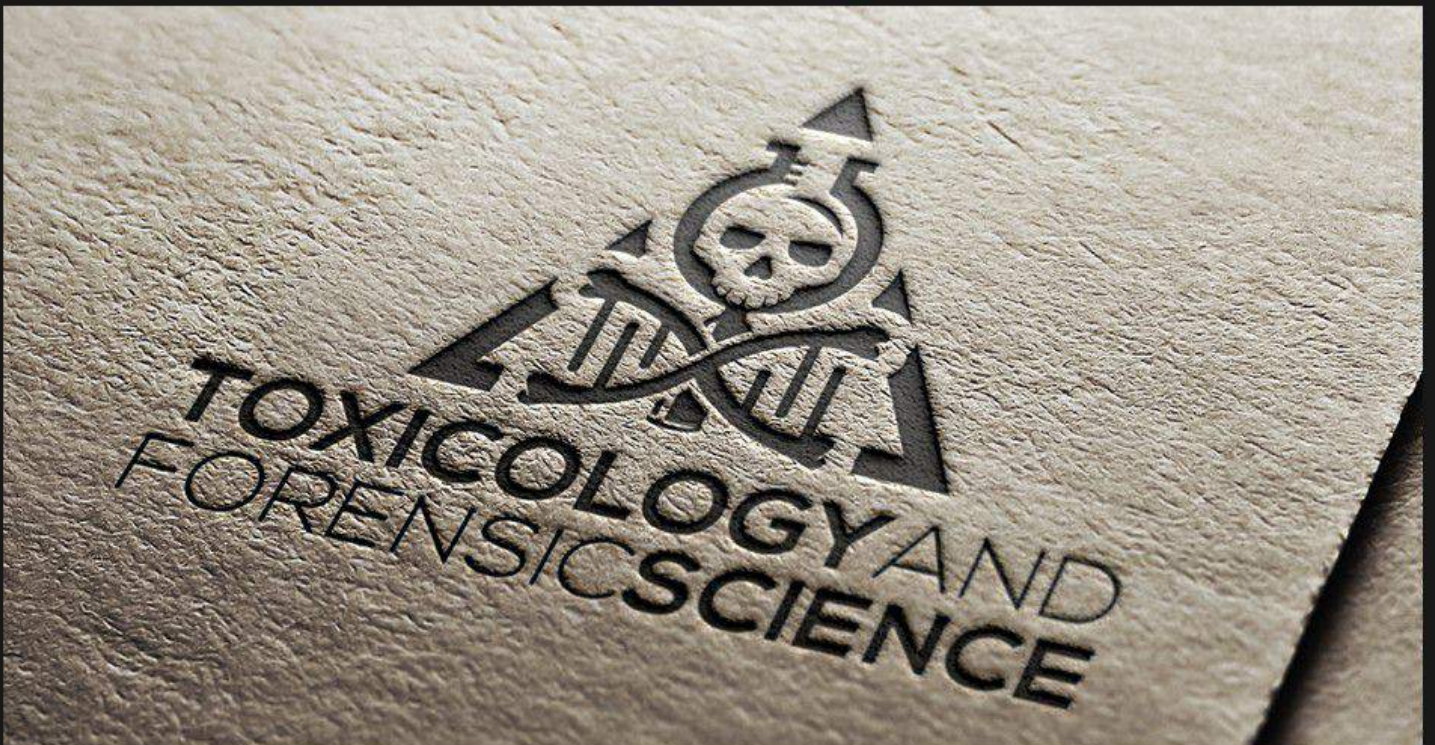

Kirem is a medical center which is offering private practice and started as a chiropractic and orthopaedic clinic (main core business). Nowadays it is moving towards a pluri-specialistic offer, including general practice, geriatrics, dentistry, gnathology, psychology, nutrition, aesthetic medicine and a lot more. Our patients seek for reliability and professionalism in an elegant and exclusive environment, in both the centre of Milan and the city of Varese.
