Oh, jingle bells, jingle bells
Jingle all the way
Oh, what finance we can learn
With the guys of FTA
Jingle bells, jingle bells
Jingle all the way
Oh, what fun it is to learn
With the guys of FTA

Dashing through the streets
No longer down and gloom,
Keen to take our seats,
Logging on to Zoom
Here is FTA,
Making finance bright
What fun it is to learn this way
A finance course - that's right!

Oh, jingle bells, jingle bells
Jingle all the way
Oh, what finance we can learn
With the guys of FTA
Jingle bells, jingle bells
Jingle all the way
Oh, what fun it is to learn
With the guys of FTA

Now FTA has grown,
Expanding nationwide
No longer Cherry alone
Others at her side!
Khal's drives the pace
Michael, Neil are swell
Serena is on ace
We all just seem to gel!

Oh, jingle bells, jingle bells
Jingle all the way
Oh, what finance we can learn
With the guys of FTA
Jingle bells, jingle bells
Jingle all the way
Oh, what fun it is to learn
With the guys of FTA

A day or two ago,
We all got sent the invite
Now they say 'hello'
Welcoming and bright;
Balance Sheets make sense
P & Ls now clear
Watching dollars and cents,
More profits, please next year.

Oh, jingle bells, jingle bells
Jingle all the way
Oh, what finance we can learn
With the guys of FTA
Jingle bells, jingle bells
Jingle all the way
Oh, what fun it is to learn
With the guys of FTA
