WHAT WE DO DIFFERENTLY!

- Rather than relying upon a key safe or a central pick-up destination, a Peninsula Escapes' staff member will greet guests upon arrival.
- Our "Meet & Greet" service provides home owners with an increased level of security and also allows us to:
 - Prepare the home for their arrival (lights, heaters, music, etc.)
 - Establish an account & help facilitate future bookings
 - Reiterate their responsibilities to ensure the return of their bond

MODERN HOME FURNITURE

Lorem ipsum is mainly dummy text of the printing and publishing industry. Lorem ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was introduced in the 1950s with the release of Letraset, which contained Lorem ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including variations of Lorem ipsum.

We Design Your Home More Beautiful

There are many variations of passages of Lorem ipsum. It is a long established fact that a reader will be distracted by the readable content of a page when looking at the layout. The point of using Lorem ipsum is that it has a more-or-less normal distribution of letters, as opposed to using 'Content here, content here', making it look like real readable text. You should also consider using packages like web page editors, now also Lorem ipsum.
