PHYSICIANS CHOICE HEALTH SERVICES

Physicians Choice Health Services (PHS) is a Physician-Centered Home Health Agency. All our services are provided by many professional and other healthcare professionals who have a high level of expertise and who can help improve the lives of every patient in Central and Southern California.

- ✔ We educate the patient, their family, and healthcare team regarding medication management, fall risk, and more.
- ✔ We coordinate with the patient's primary care physician to ensure the continuity of care they need.
- ✔ We offer high quality, cost-effective patient services for all of our clients.

We encourage you to contact us now at [818-499-9616](tel:818-499-9616) for more information. Our caring staff is here to help you through every step of your journey. Thank you for choosing our services. We'll help you to improve your health.

**NOT SURE WHERE TO START?**

Making decisions about health services at home can be a challenge. Start here to learn more about options for care at home.
