San Flex (Open Clogs and Closed Clogs)

Developed to meet the unique safety requirements of the catering and restaurant industries, with emphasis on comfort and fit, the original Sanita Flex is a slip resistant and the more given superior arch support which minimises the risk of injury. A full length antistatic inner provides a shock absorbing footbed and all materials are antistatic and breathable, so the feet stay dry - even after a long day at work.

Wave (Open Clogs and Closed Clogs)

A hand crafted shoe product from Sanita, the ultra light clog with curved and clever design. It has full leather upper and lining, with a removable and washable water proof (optional) gel pad for additional comfort. The footbed's ergonomic, flexible and all materials are breathable, and cannot absorb any water.

San Duty (Open Clogs)

One of the latest versions of Sanita Clog, it's a PVC which ensures shock absorption, durability and grip on virtually any surface. Upper are produced in durable and water resistant Permal Protective leather and the full length inner is non allergenic, correct heel and moisture away from the feet so they stay dry and comfortable all day long.

See our website for other styles and colours. Sanita.com.au

WHO DO WE HELP?

- Isolated mothers who lack other support
- Mothers experiencing stress, anxiety, difficulty in adjusting to motherhood, ill-health and/or disability, post-natal depression, multiple births or unwell babies
- Families with newborns are our priority

WHO ARE OUR VOLUNTEERS?

Our trained volunteers are reliable, flexible and non-judgemental home visitors who enjoy working with families to build their confidence and parenting skills. Volunteers are screened and must have current Working with Children clearances and criminal checks.

WHAT DO WE DO?

Assist new mums with their new baby or young children

- Help with appointments or shopping
- Give sleep-deprived mums some in-house respite
- Link families to local community groups
- Offer information or resources where needed
- Reduce isolation by providing friendship and company
- Share parenting wisdom and experience
- Assist with household organisation

CHILDREN & FAMILIES

Civic Lifestyle welcomes children and families. Children are supported to develop friendships, life skills and a sense of community.

Our friendly, experienced teams and qualified GOSH leaders, provide a dynamic range of play-based activities that reflect your child's interests, abilities and culture.
