

WE OFFER GENERAL CONSTRUCTION SERVICES

Residential & Commercial

We specialize in reliable and affordable construction services for residential and commercial clients. In 2014, we expanded to northern New Jersey. In 2016, we brought quality home improvement and repair services to new North County, PA, and nearby New Jersey areas.

HOME RENTAL MAINTENANCE

ifixit Handyman Services originated from a family-owned and operated contractor business, performing home renovation, addition, and construction work in the NYC area since 2004.

TAKE CHARGE and SAVE ENERGY!
with a KILL-A-WATT METER!

Check out a Kill-A-Watt Meter to see where your energy usage is adding up!

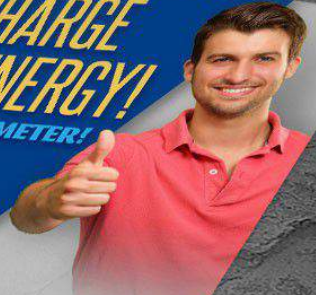

The Kill-A-Watt Meter can make you aware of the amount of electricity used by electrical devices in your home or business. It will show you that items may appear to be turned "off" but are still drawing power, which adds to your electric usage.

*Note: The Kill-A-Watt Meter cannot be used to measure 220 volt items such as electric clothes dryers.

THE KILL-A-WATT METERS WERE DONATED TO THE LIBRARY BY DUCK RIVER ELECTRIC MEMBERSHIP CORPORATION.

For more energy saving tips, visit the Duck River Electric website at:
www.dremc.com
or follow us on Facebook @ [DuckRiverEMC](#)
