Money Tree

Pachira Aquatica

Said to bring luck and wealth,
this plant adds vitality to any home!

Water

Slow top 1-2 inches of soil to dry
between waterings. Ice cubes work
best (4-6) to ensure you don't overwater.

Soil

Peat moss based or cactus-specific
soil works best. Needs to be
well-draining soil.

Light

Bright to medium indirect light.
Morning time sun is ok.

Food

Liquid houseplant fertilizer once
a month diluted at 1/2 strength.
Every other month in winter.

Toxicity

Non-toxic.
Safe for everyone, including pets!

Other
notes

Mild room temps, high humidity, and mist
leaves regularly. This plant is sure to create
positive energy wherever it is placed.
