

# Google Tag Manager

The screenshot displays the Google Tag Manager interface for the workspace 'getcleansnap.com'. The top navigation bar includes the 'Tag Manager' logo, account information, a search bar, and utility icons. Below this, the 'Workspace' tab is active, showing the workspace ID 'GTM-M229HND' and 'Workspace Changes: 0'. A 'Preview' button is visible on the right.

The main content area is divided into three columns:

- Left Column (Navigation):** Labeled 'CURRENT WORKSPACE', it contains a 'Default Workspace' dropdown and a sidebar with menu items: Overview (selected), Tags, Triggers, Variables, Folders, and Templates.
- Middle Column:**
  - New Tag:** A card with the text 'Choose from over 50 tag types' and an 'Add a new tag' button.
  - Description:** A card with the heading 'Description' and an 'Edit description' button.
- Right Column:**
  - Now Editing:** A blue card indicating the current workspace is 'Default Workspace'. Below it, a 'Workspace Changes' summary shows 0 Modified, 0 Added, and 0 Deleted tags, with a 'Manage workspaces' button.
  - Live Version:** A green card for 'Version 28', published 4 months ago by 'specialisttracking@gmail.com'. It includes a 'Latest version' button.

An 'Activate Windows' watermark is visible at the bottom right of the interface.
