BOOK 1: LEGEND OF LOVE

THE GREAT OF ADVENTURES OF YOUNG SAINT NIC

Before young Nic becomes the magical legend, Santa Claus, he grows into a man with a huge heart despite the violence of ancient Rome at the turn of the century, 300 A.D. Wise for his years, yet inexperienced in the ways of men, Nic completes his training as a Christian priest under the guidance of his uncle, before venturing out of his homeland. Nic shows his passionate commitment to the unity of human kind as he discovers potent spiritual gifts and resolves to introduce an era of peace and abundance to a fractured world of tribal and religious conflict. Join him, and his growing family of found companions, as they travel the world, meet historical figures, and change hearts with kindness and generosity. The journey begins with Book One, which takes Nic from his sunny home town of Patara to the snowy forests of Kiev, Russia for an unforgettable Christmas and his first experiences of transformational love.

When Christmas Reindeer Fly

It's a story about a girl called Suzy who finds a mysterious little sleigh in the snow while playing on a red sled with her golden-brown cocker spaniel, and is whisked away on a Christmas adventure after she mentions her discovery in a Santa letter. The Title comes from a phrase in the story - "time slows down when Christmas reindeer fly." The story has elves (good and evil), Santa, Igloo city, a magic key and a wicked ice queen who wants to make winters miserable.

Das CMC-Team wünscht Ihnen und Ihrer Familie eine erholsame und besinnliche Weihnachtszeit sowie einen guten Start ins neue Jahr. Auch im neuen Jahr sollen Ihre Pläne und Projekte – ob im geschäftlichen oder im privaten Umfeld – gelingen und von Erfolg gekrönt sein.

Wir bedanken uns für die angenehme Zusammenarbeit und die gemeinsamen Erfolge. Ohne Ihre Unterstützung und das vertrauensvolle Miteinander wären diese nicht möglich gewesen.

Auch in diesem Jahr haben wir uns zur Unterstützung eines Projekts unseres langjährigen Partners, der S.H.A.R.E Stiftung für Mikrofinanz, Fairen Handel und Friedensförderung, entschieden: Das Projekt „Eco-Village Natoung“ unterstützt im Norden von Togo die Armutsbekämpfung und den Kampf gegen den Klimawandel. Gleichzeitig wird der Aufbau lokaler Wirtschaftsstrukturen gefördert.
